

Discover the smarter way to work, using the ScanSnap iX1500 desktop scanner

iX1500
PART CODE: 4913196

iX100
PART CODE: 3197808

The ScanSnap iX1500 is perfect for individual or sharing use and the in-built touchscreen ideal for multi-user profiles. ScanSnap Home software allows for the easy management, editing and utilisation of data from your documents, business cards and receipts and can learn and adapt to how you work. ScanSnap Cloud can intuitively recognise and name what has been scanned and route to your pre-determined cloud service.

End user can claim a free iX100 portable scanner when they buy a Fujitsu ScanSnap iX1500*

*Offer ends 12th May 2019, Terms and Conditions apply
