

V6 Series

ACER V246HLbid LED MONITOR

Part code: 3442678

V6 Series monitors feature Acer eColour technology for striking visuals, and Acer ComfyView innovations that reduce glare for comfortable viewing. These sturdy monitors also have a wide array of ports, so you can connect many types of devices and do more at once. In addition, they utilise eco-friendly features to save power and money.

Focus more sharply on your tasks with the superior contrast ratios and ultra-quick response of these Full HD monitors. A range of built-in display technologies deliver consistent viewing across wide angles, faster response time for reduced eye strain, more realistic colours, and a stable view that prevents tailing when the screen is touched.

Collaborating with others is faster and more productive when you have plenty of ports available. V6 Series monitors allow you to connect to a wide variety of devices like notebooks and tablets, thanks to VGA, DVI and HDMI ports.
