CONDECO

Meet the future
Meeting room bookings made simple

Condeco Connect is an integrated meeting room booking solution which enables employees to effortlessly locate, book and manage meeting spaces from their calendar, mobile or directly from the touch screen display.

This easy to use solution seamlessly integrates with Google Calendars or Microsoft Outlook to display and manage meeting room information on state-of-the-art screens.

It connects to the cloud for easy setup and requires no on premise software or complicated installation process.
